

T4201/T4301 Thermal Transfer Label Printer

Durable, Reliable and Fast

Using one-inch core ribbons up to 300 m, meet nearly any customer's label printing needs.

Versatile

Designed and built to deliver high-quality performance at a competitive price point, these affordable, hardworking printers can print high-quality labels all day long, producing thousands of clear, crisp barcode and identification labels per day.

Multi-Size Compatible

It provides adjustable paper guide rail for small companies, whether they are bar-code labels or shipping labels.

Widely Applicable

It can provide wide variety of labels ranging from shipping labels to compliance and general purpose product identification labels and tags. Other applications include pharmacy, walk-in shipping and mail centers, and inventory control for warehouses.

Multi-System Compatible

It can smoothly run on Windows XP, 7, 8, 10, Mac OS. For Bluetooth version, you can download our APP to print labels through your smart phones.

Easy To Start

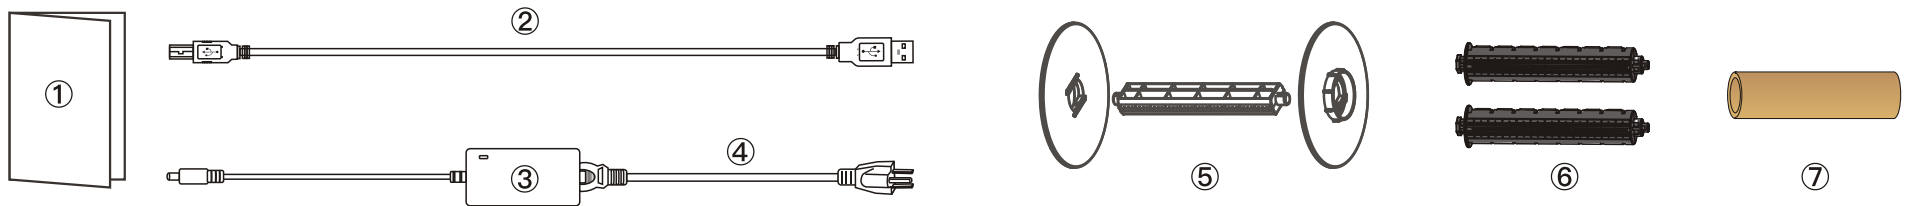

The driver and user guide can be downloaded from our website at will. You can have your printer installed and set up within 5 minutes.

Professional Technical Support

We provide cost-free after-sales support regarding any printing issues through methods including live chat, phone calls, emails and even remote-desktop operations support if necessary.
